

# Activities and Clubs

Here are the **ACTIVITIES / CLUBS**  
I do before, during and after school...

If you are not part of a club  
or don't do any activities then  
what would you like to do?

How can we help  
you to achieve this?

## **Activities and Clubs**

**Does the child take part in any after school clubs, school groups or activities?**

**Include achievable activities/clubs in the boxes (research is needed).**

**Support further pending answers.**
