## Safe

| These are the things that make me feel unsafe or scared          |
|------------------------------------------------------------------|
|                                                                  |
|                                                                  |
|                                                                  |
|                                                                  |
| These are the people who make me feel unsafe or scared           |
|                                                                  |
|                                                                  |
|                                                                  |
|                                                                  |
| This is who I'm going to talk to, to help me feel safe and happy |
|                                                                  |
|                                                                  |
|                                                                  |
|                                                                  |
