

Stranger Danger

What is stranger danger?

Can you name some scenarios where you or someone else might trust a stranger because of something they have said or done? (not a safe stranger).

Stranger Danger

What is a stranger?

Differentiate between safe stranger
and a stranger that is not safe.

Give examples of scenarios if needed
(e.g. says that they know their parents
and to get in the car for a lift home).

Discuss further and give further
support on this activity if needed.
